

## Dove Bank Primary School

### Parents & Carers: How we need you to help us re-open school safely

No school is there are ANY symptoms in your home

Clean clothes every day  
Uniform where possible

Wash school clothes after  
one day of use

No personal belongings or  
books to come to/from school

Packed lunches in named boxes or  
disposable bags only. Water  
bottles also to be named

Thoroughly wash lunch boxes and  
water bottles every day

Walk or cycle to school where  
possible, to avoid crowds of  
parked cars

Be on time: This will reduce risk  
by keeping your child from  
mixing with other groups

Parents are not allowed in  
school grounds. This will  
prevent contamination of  
playgrounds and avoid crowds

Obey any special signs and  
markings around school

Keep a safe distance from other  
families whilst waiting at the  
start and end of each day

Read all correspondence from  
school

This will only work if you keep your child safe when they are not in school. Children who go out to play with other children will be at a high risk to their bubble when they come back into school.
