

## Dove Bank Primary School

### What we are planning to do to keep your child as safe as possible

Children to be contained in a 'bubble' of a maximum of 10 pupils, with 1 teacher and 1 TA. 'Bubbles' to be kept apart during school day

Self-isolation of the 'bubble' if anyone has ANY symptoms

Different entrances and exits to be used for each 'bubble' with an allocated arrival and departure time

Entrances and exits marked with 2m tape to ensure social distancing

Signs and markings to remind everyone of social distancing rule and places of no entry both in school and at entrances

Classrooms to have desks 2m apart where possible

Parents and visitors are not allowed in the school building

Reduced movement around school – only in the 'bubble' obeying the taped 2m rule

Health and safety points in every classroom to include disinfectant, soap, paper towels, gloves, first aid kit and emergency PPE

PPE to be used by staff when delivering personal care, First Aid or if someone is unwell

Regular handwashing for all staff and pupils on arrival, throughout the day and departure

Regular wiping down of all surfaces, handles and resources throughout the day, with soap and water, then disinfectant

## **What we are planning to do to keep your child as safe as possible**

Windows and doors to be opened to ensure a good flow of air and to limit touching of handles

Lunch will be eaten in the classroom in the ‘bubble’

Toilets to be cleaned regularly throughout the day. Only 1 pupil to visit toilet at a time. Each 'bubble' to be allocated a specific toilet.

Soft furnishings, soft toys and any resource that cannot be cleaned will be removed from school

Pupils to have their own resource pack, supplied by school, to avoid contamination

Staggered playtime and time outside. Socially distant games and no use of resources that cannot be cleaned

Specific lidded bins allocated to each area

Your child will not be given a reading book in order to stop the spread of germs

Ongoing review of protocols and provisions
