5

Ways You Can Help

Run a Stall

The two biggest events of the year are the Christmas and Summer fair. Both of these rely on volunteers to run stalls. If you are interested in helping on a stall or have a business that you'd like to have a stall for, then let us know.

Set Up & Clear Up

Behind the scenes there are lots of jobs to do to help events run smoothly. Even if you can only spare an hour, your time would be greatly appreciated. There is no obligation to help at all events but letting us know in advance really helps us organise who will be where.

Contact a Business

If you have any contacts that may be able to provide raffle prizes such as days out, experiences, hampers etc then please speak to them and see if they'd be interested in supporting Dove Bank.

Donate

We always need quality prizes for the events we run. If you have any unwanted gifts or items that would make good prizes, please get in touch.

Share and Like

One of the easiest ways to support Friends of Dove Bank is by sharing our events. If you see our events promoted online, please like and share them. Tell your friends and neighbours about events too and encourage them to come along and support the school.
