Contingency to include any home learning support as required.	£3140	•All PP children.		

Education Endowment Foundation (EEF)

Our mission

The Education Endowment Foundation (EEF) is dedicated to breaking the link between family income and educational achievement.

The EEF isn't just a grant-funder, nor just a research organisation. What we are is a charity with a moral imperative – to support teachers and senior leaders to raise attainment and close the disadvantage gap – which roots its response to this educational challenge in the best available evidence.

We aim to:

- raise the attainment of 3-18 year-olds, particularly those facing disadvantage;
- develop their essential life skills; and
- prepare young people for the world of work and further study.

What is the EEF Research Sutton Trust Toolkit

It summarises the best available evidence in plain language for busy, time-poor teachers and senior leaders.
