Role: Community Governor

Job Role: Community Governor

I live in the village of Nailstone and have business interests in Agriculture. I do voluntary work within the community amongst all age groups.

My hobbies include gardening, needlework, painting along with other areas of craft.

I am the previous Chair Person of the Governing Body at Dove Bank School. I have many years' experience as a school governor in both the primary and secondary school sectors.

I have skills in leadership and management, public speaking and have a very good understanding of the needs of children and young people.
