Role: Community Governor

Job Role: Community Governor

Vice-Chair of Governors

As a Chartered Public Finance Accountant I spent 20 years as Treasurer of Leicestershire County Council and a similar period as Treasurer of Leicestershire and Rutland Police.

During this time I was fully involved in educational finance. I have been treasurer of Leicester University Medical Research Foundation and treasurer and company secretary of Mosaic-shaping disability services (a large Leicester disability charity). I have spent 15 years as a Parish Councillor and I hope that this level of public service involvement will be useful in my duties as a Governor of Dove Bank.
