Dove Bank Core Values

Dear Parents/Carers,

We are delighted to introduce to you our new **Dove Bank Core Values**. We have developed these in conjunction with the children and have picked out values that we feel reflects the ethos of our school and the type of school we want to be. We have been learning about them in class and whole school assemblies and we listen to our supporting song: Try Everything by Shakira in order to help embed them in to our everyday practices.

<https://www.youtube.com/watch?v=jpgV3dzYOgk>

Our Core Values have been shared with all of the children and with our school governors. Our Dojo system now reflects these values and the children work towards them in everything that they do.

Warm regards,

Mrs A Fletcher and the Dove Bank team
